

Product Catalogue 2010

Clutch Servo - Master Cylinder - ServoMaster Hydraulic Gearshift - Vehicle Dynamics - Components

A lifetime of service and support

The world's commercial vehicle manufacturers require innovative solutions that offer functionality, comfort and safety. Kongsberg Automotive's customers include a broad range of leading manufacturers worldwide.

To meet individual specifications on concept, design and technical is-

sues, vehicle manufacturers prefer a close cooperation with Kongsberg Automotive.

By focusing on easy installation, costeffectiveness, and environment-friendly solutions, Kongsberg Automotive provides added value to customers all over the world.

Aligned with customers' demands

Close follow-up of deliveries is important to customers' success. Potential deviations are therefore resolved at an early phase or eliminated through product modifications. Kongsberg Automotive follows up after-market sales through close contact with vehicle manufacturers and dealers, as well as end users.

Our manufacturing facilities and sales offices have a a global reach, enabling us to optimise production and to be close to our customers.

We provide professional service to our customers within:

- Sales and logistics
- Product function training
- Product installation training
- Product repair training
- Warranty handling

Kongsberg Automotive has a global network of distributors to ensure rapid delivery to all corners of the world. See our webpages to find the distributor covering your country.
